CITY COUNCIL MEETING STAFF REPORT

Date: June 22, 2010
Agenda Item:

Subject: Wheatland-Premier Grove Landscaping and Lighting
District Engineers Report and for Proposed Assessments.

Prepared by: Stephen L. Wright, City Manager

Recommendation: Council adopt the attached Resolution to levy assessments for the Wheatland-Premier Grove Landscaping and Lighting District.

Discussion: Attached for Council information is the annual Engineer's Report established for the Wheatland-Premier Grove Landscaping and Lighting District prepared by SCI Consulting Group on behalf of the City. This report was originally presented to the Council and released for public review on May 11, 2010. Each year the City Council must re-establish the appropriate assessments for the services provided to these areas and this year the report reflects a 2.610% CPI increase to the assessments. The attached Resolution generally describes the services to be provided through these assessments and sets the new assessment rate.

Alternatives: The Council could choose to reduce the recommended rate increase.

Fiscal Impact: This cost of living adjustment allows the City to continue ongoing maintenance within the assessment area. The adopted budget includes this proposed adjustment.
